AT
LE BEAU®

luxury inspired by results

Why Le Beau Clinic & Spa?

Le Beau Clinic & Spa brings a unique experience for all our guests. Le Beau has been recognised globally for the quality, experienced team, technology, skincare & unique delivery of its services & customer satisfaction. This attention to detail has resulted in winning multiple awards in the industry both internationally & locally since 1997.

FACILITIES

With over 900sqm, we have our own secure private car park. Inside there are a lot of spaces to relax in resort style surroundings. Including 3 relaxation areas: indoor relaxation lounge with fireplace & dining area, alfresco water garden & alfresco health lounge includes spa & infra-red sauna. 10 quiet treatment rooms, individually customised to the treatments, a nail lounge, change rooms with lockers & skincare dispensary.

Our service goes beyond the front door.

THE CLINIC

Delivering only the best medical skin services in a luxurious spa environment. We believe feeding the soul is just as important as feeding the skin & body.

When you step into Le Beau you enter a sophisticated enclave of healing, dedicated to achieving the best possible results for your individual skin & body needs, while not forgetting the importance of sensations that renew your spirit, refresh your mind & amplify your natural beauty. Le Beau have a unique approach, delivering the very best & latest treatments, using medical grade equipment & clinic skincare ranges, all TGA approved, while holding onto tradition & delivering all our treatments with care & individual needs attended to.

We believe "You Time" to breath, away from reality, brings out the best in us. The goal is to take care of the whole person – the Mind, Body, & Spirit, which is important in today's world; the idea of giving a person permission to have some time – quality time for themselves, with no guilt attached.

Every aspect of a person's wellness experience & their journey to great skin & body is considered. Le Beau use a team of professionals to ensure the best possible results are achieved. The team is made up of an amazing list of professional's to ensure the best possible results. The team includes dermal therapist, massage therapists, clinical beauty therapists, registered nurse, & affiliated referrals to a naturopath & vascular surgeon. With such a highly educated & skilled team, Le Beau are able to deliver individual programs designed to the client/patient's needs.

In keeping with Le Beau's innovative approach, they offer an exclusive service to first time clients & clients on programs. A complimentary SkinCoach® session. Where the SkinCoach® establishes the concerns, desired results & an individual program is designed.

THE SPA

Step into The Spa & you will be entering an effortless cocoon of calm, delivered by our team of experienced therapists. Indulge your senses & embrace the journey with the aromas & a full range of skin clinic & spa treatments in a softly lit haven.

Amplify your experience followed by time in our jacuzzi & sauna. Once your treatment ends, unwind further in the relaxation room complete with refreshments & reading materials, or just snuggle up & enjoy the peaceful atmosphere.

Le Beau offers the very best in Skin Clinic & Spa services to achieve the best results in a spa environment to feed the soul.
